Lab Sheet Number : 01

Topic : Introduction to HTML and CSS

Lab Date : 24th July 2020 from 3:00 PM to 5:00 PM

Due Date : 31th July 2020 before 23:00 PM

Submission : Submit a .zip file named E17_XXX_Lab1.zip (by including the html file named E17XXXLab1.html and a screen shot of the created web page) on or before the deadline. Here XXX is your registration number.

Aim : The aim of this lab is to provide students hands-on experience of creating web pages using HTML and CSS.

Objective : At the end of this lab, students should be able to design the form given in Figure 1 using HTML and CSS.

Lab Task

Create the following web page given in Figure 1 using HTML and CSS. The page could be used to order T-shirts online. Using this form, users can select the size of the T-shirt as small, medium and large.

The colors to choose are Red, Purple, Blue and Green. Users could also buy extra items such as Cap and Wrist bands. Finally the user needs to enter delivery address and any comments regarding the purchase. Using the buttons given, users can order T-shirts, search for existing orders, change orders and delete orders.

Buy T-shirts Online

Fill out the form below and click “Order Now” to order

Search by order number:

Choose your size: ☐ Small ☐ Medium ☐ Large

Chosee your colour:

Extra Items: ☐ Cap ☐ Wrist Band
